Crate & Handling	\$100.00
<b>TOTAL</b>	

**Shipping Information**

Shipping is via a national trucking company to be shipped "standard delivery". You must remove the crates and the contents from the truck yourself. Request for a lift gate is an additional fee. All re-delivery fees are customer's responsibility. If this is not acceptable, please contact IsoBooth to obtain a new shipping quote. IsoBooth is not liable for freight damage if crate is opened and repacked by customer or agent of customer while sound room is in transit. Customers will be responsible for handling all freight damage claims. Any damage due to shipping must be immediately reported to the freight delivery person and recorded on delivery receipt. Customers may be liable for unreported damage. Replacement parts are sent standard ground freight. We cannot guarantee delivery dates and times.

**Limited Warranty & Important Information**

Any defects in materials or workmanship will be repaired or replaced at our factory location within one year from date of purchase. All shipping and handling costs are purchaser's responsibility. This warranty does not cover damage that results from misuse, mishandling, abuse, vandalism, alteration, or lack of reasonable care. Any alterations to product without written consent from IsoBooth nullifies warranty. All sound rooms are for indoor use only and are not 100% soundproof. Sound rooms are modular, non-permanent, stand-alone structures without electrical wiring. Compliance with local and national building codes is purchaser's responsibility. We use non-toxic water based paints. Touch up paint may be necessary. All panels and parts are standard sized building materials. Most tolerance levels rated at 1/4". Sound rooms will not withstand human weight or storage above ceiling. IsoBooth will not compensate for assembly or time loss due to non-booth usage. Customer/contact person and credit card holder/trustee sign and date below and send or fax to address above. Credit cards will be processed the day order is placed. Customer must provide valid picture ID at time of delivery if sound room is not shipped to credit card address. Receipt of company purchase order and/or signed order confirmation initiates fabrication and delivery process. Receipt of company purchase order and/or signed order confirmation will be considered a final sale whether booth has shipped or not. This is a custom product made to order with no return policy. Any returns considered are made solely at the discretion of IsoBooth. Any returns accepted will require customer to pay for all shipping charges and a 15% restocking fee with product returned by customer in "like new" condition. Customer will be liable for damaged returns. If default is made in the payment of any sums due to IsoBooth, the customer agrees to pay all necessary and reasonable attorneys' fees, court costs and other expenses incurred by IsoBooth which are necessary and reasonable for collection of the sums due to IsoBooth

**IsoBooth Ordering Procedures**

- Customer must fill out the order confirmation form (above) complete with signatures of BOTH the contact person AND the cardholder if different. Be sure to have included appropriate shipping costs. Fax the completed order form to (801) 659-2475. Incomplete forms cause delays. Additional order forms for this product can be found at our web site at <http://www.IsoBooth.com> or by calling (541) 330-6045 to have a form faxed to you.
- Call IsoBooth to confirm the FAX was received.
- Customer order is valid when IsoBooth receives the signed order confirmation from the customer.
- Inform customer of delivery information as specified on the order confirmation form.

**IMPORTANT!** By signing the above order confirmation form, I hereby acknowledge I have read and fully comprehend the terms and conditions set forth in the IsoBooth Limited Warranty and Shipping Information listed above.
